Dear Abbas & No Problem Movers Team,

Thank you for your services and accommodation of our specific needs. Your ability and willingness to provide the services and pricing we were looking for stands above the crowd. The process from the initial contact with your company through to the payment and pickup was very comfortable.

The nature of our business involves extremely sensitive equipment and tools. Your team was able to look after our special needs effortlessly and without incident.

We appreciate the extra loan time on the tote boxes and moving blankets, this has helped make our new facility set up easier.

With Thanks,

R. LeBlanc and the Aerocopter CS Team
